

**Tenure Related Position**  
**Oregon Institute of Marine Biology and Department of Biology**  
**University of Oregon**

The **Oregon Institute of Marine Biology** (<http://oimb.uoregon.edu>) and the **Department of Biology** (<http://biology.uoregon.edu>) at the University of Oregon invite applications for a tenure-track (Assistant Professor) position in marine biology based at OIMB in Charleston, Oregon. Individuals whose research interests are appropriate for a marine laboratory and whose teaching interests would add breadth to our Marine Biology major are encouraged to apply. The successful candidate will have an outstanding research program and a commitment to excellence in teaching. Ph.D. required. Candidates who promote and enhance diversity are welcome to apply. Interested persons should apply online to the University of Oregon OIMB SEARCH at <https://academicjobsonline.org/ajo/jobs/4624>. Applicants should submit a cover letter, a curriculum vitae including a publication list, a statement of research accomplishments and future research plans, a description of teaching experience and philosophy, and three letters of recommendation. Submission of 1-3 selected reprints is encouraged. To be assured of consideration, application materials should be uploaded by **October 15, 2014**, but the search will remain open until the position is filled.

*The University of Oregon is an equal opportunity, affirmative action institution committed to cultural diversity and compliance with the ADA. The University encourages all qualified individuals to apply, and does not discriminate on the basis of any protected status, including veteran and disability status.*
